Re: CC Docket No. 99-295: In the Matter of Application of Bell Atlantic Pursuant to Section 271 of the Telecommunications Act of 1996 to Provide In-Region, InterLATA Services in New York

Dear Ms. Salas,

The attached letters were sent to Commissioners Furchtgott-Roth, Ness, Powell, and Tristani and to their Legal Advisors, H. Walker, J. Goldstein, K. Dixon and S. Whitesell.

As outlined in the Public Notice (DA-99-2014) issued by the FCC on September 29, 1999, the 20 page ex parte limit does not apply to this ex parte since Bell Atlantic is sharing a copy of Bell Atlantic's responses to Chairman Kennard's questions. Those responses were provided to the Chairman on December 10.

Please feel free to contact me with any questions.

Sincerely,

Section 271 of the Telecommunications Act of 1996 to Provide In-Region, InterLATA
Services in New York

Dear Commissioner Furchtgott-Roth:

On December 10, I sent a letter to Chairman Kennard responding to two questions he asked Bell Atlantic. The first question asked if the provision of xDSL services through a separate affiliate would ensure that services and facilities are provided to competing xDSL in a non-discriminatory basis; the second asked if Bell Atlantic would be willing to establish such an affiliate. We responded in the affirmative to both questions.

I have attached a copy of my letter to Chairman Kennard. Please feel free to contact me with any questions you may have.

Sincerely,
